

Attendance and Certification Policy

Effective Date: 1 May 2026

1. Purpose of This Policy

This Attendance and Certification Policy explains the requirements that students must meet to successfully complete a Kingsbridge Communication Academy (KCA) programme, course or service it provides and to become eligible for certification. By enrolling on any KCA programme, course or service provided, students agree to follow this policy in full.

2. Commitment and Expectations

KCA programmes/courses/services are designed to support active learning, participation and consistent student engagement. Certification is awarded only to students who demonstrate genuine commitment, appropriate participation and successful completion of the required elements of their enrolled programme/course or service.

3. Attendance Requirements

Attendance requirements vary depending on the programme or course enrolled upon. Students are expected to attend sessions consistently and meet the minimum attendance standards communicated for their specific programme. Failure to meet the required attendance standards may result in ineligibility for certification.

4. Lateness Policy

Students are expected to join sessions on time. A grace period of up to 5 minutes is allowed. The register will normally be taken 5 minutes after the session begins. Repeated lateness may affect attendance records, participation evaluation and may be treated as non-attendance at the discretion of KCA. This, therefore, may affect any certification eligibility.

5. Notification of Absence

If a student misses a session, they must inform KCA in writing as early as it may be possible prior the session or within 48 hours of the missed session with a genuine reason. Failure to notify KCA within this period may result in removal from the course.

6. Catch-Up Work Requirements

Where catch-up activities are required, students must complete any assigned work or learning activities within the timeframe communicated by KCA or the relevant tutor. Catch-up requirements may vary depending on the programme structure and delivery format.

7. Deadline for Catch-Up Work

Students are responsible for completing any required catch-up work within the deadlines communicated by KCA or the relevant programme tutor; this will typically be 72 hours, however, it may vary. Failure to complete required catch-up work may affect attendance records, progression or certification eligibility.

8. Use of Session Recordings

Where session recordings are made available, they are provided solely for educational, safeguarding, revision or catch-up purposes for enrolled students. Students must not download, distribute or share recordings without written permission from KCA.

9. Participation Requirement

Attendance alone may not be sufficient for certification. Students are expected to participate appropriately, engage with learning activities, set work and contribute positively throughout their programme/course. Persistent disengagement may affect certification eligibility.

10. Assessment Requirements

Students must complete all required assessments, coursework or evaluation activities applicable to their enrolled programme/course, if applicable. Assessment formats and requirements vary depending on the course structure and learning objectives. Cheating, plagiarism or unauthorised use of AI-generated content may result in failure to meet certification requirements.

11. Missed Assessments

Where assessments are missed, KCA may consider extension requests or alternative arrangements in exceptional circumstances. Approval of any extension or alternative arrangement remains at the discretion of KCA.

12. Certification Decision

Certificates will only be issued to students who successfully meet all relevant attendance, participation, assessment and course completion requirements applicable to their programme/course or service provided by KCA.

13. Timeframe for Results and Certificates

KCA aims to issue results and certificates within a reasonable timeframe following programme completion. Timeframes may vary depending on programme structure and administrative requirements. Students who successfully complete KCA programmes/courses and use our services where certification is issued, may contact KCA after 3 weeks of completion if no certificate has been issued, and KCA will resolve it at the earliest and quickest possibility.

14. Illness and Emergencies

KCA understands genuine illness or emergencies may occasionally occur. However, students are still expected to meet the attendance, participation and assessment requirements applicable to their programme/course or KCA service wherever reasonably possible.

15. Breach of Code of Conduct

Any breach of the Student Code of Conduct or other KCA policies may result in failure to meet certification requirements or removal from the course.

16. Discretion of KCA

All matters relating to attendance, participation, assessments and certification are subject to the full discretion of Kingsbridge Communication Academy. This policy is not exhaustive and is not limited to the examples provided.

17. Changes to This Policy

KCA reserves the right to amend or update this policy when necessary. Any changes will be communicated to students.
